Soviet Agents

Editor, The News:

Readers who were startled to learn of Soviet Secret Police agents boring from within our State Department, CIA and weapons scientists from Mr. Gore's March 15 editorial, will surely wish to obtain more detailed information by writing to: 20th Century Reformation Hour, Collingswood, New Jersey. The "KGB in Washington" packet is free, but donations are appreciated to defray printing and postage. One of 577 stations airing their daily broadcast is WMIE, Miami, 1140 kc., 11 a.m.

After you get the packet and learn of over 150 spies that defectors Nosenko and Goleniewski can finger, you will realize why great public demand on Congress is imperative if the termites will be exposed before election day. Who hired them?
